

Hurricane Wilma update, November 10th, 2005

WE ARE OPEN !!!!!

Hotel Las Palapas is located at the heart of the beautiful Mexican Caribbean on the far east coast of the Yucatan Peninsula. Nature has treated us with 13 miles (20 kilometers) of Playa del Carmen's white sand beaches, fringed by turquoise, crystal clear Caribbean water. In this wonderful environment, Hotel Las Palapas offers you a paradise of relaxation and tranquility where you can get away from it all and leave the pressures of everyday life behind.

We are proud to announce that as of today November 10, 2005 **Hotel Las Palapas** is back to normal operation.

This morning in presence of members of Local Authorities, of the press and all our staff, we formally cut the ribbon to confirm that Wilma's damages are past.

This fast recovering would not have been possible without the hard work and dedication of our staff and the help of everyone who believed in us. We are very grateful for the help and support as well as for every friendly message received. Your thoughts, prayers and kindness are very much appreciated.

We hope to see you soon in our little paradise.

Thank you.
